

Ref. No. SRPCE/2024-25/146

Date: 21/5/2024

Facilities for Physically Challenged (Divyang) People.

Objectives

Our college is committed to creating an inclusive, accessible, and barrier-free campus environment for physically challenged (Divyang) students, staff, and visitors. The objectives are:

- To ensure equal access to education and campus facilities for all
- To promote dignity, independence, and safety of physically challenged persons
- To eliminate physical barriers in academic and administrative areas
- To support inclusive participation in academic, cultural, and co-curricular activities
- To comply with the Rights of Persons with Disabilities (RPwD) Act, 2016 and AICTE norms
- To foster a supportive and sensitive institutional culture.

Facilities Available in Our College

Our college has taken the following steps to support physically challenged individuals:

- **Ramps with handrails** at main entrances of academic and administrative buildings
- **Wheelchair-friendly pathways** connecting important campus locations
- **Ground-floor classrooms and offices** for easy accessibility
- **Barrier-free access** to examination halls and seminar halls
- **Reserved parking space** near building entrances
- **Wheelchair availability** on request
- **Staff assistance** for mobility and navigation within campus

- Priority access to essential services
- **Extra time and relaxation** during examinations as per university rules
- **Scribe facility** provided when required
- **Flexible seating arrangements** in classrooms
- **Faculty mentoring and academic guidance**
- Assistance during admission, examination, and administrative processes

Future Plan of Enhancement

Our college has a structured plan to further strengthen facilities for physically challenged individuals:

- Adoption of **assistive technologies** (screen readers, voice-to-text tools)
- Expansion of **accessible digital learning resources**
- Financial support and guidance for government schemes
- Counseling and mentorship programs
- Collaboration with NGOs and agencies working for disability empowerment
