PHYSICAL EDUCATION

Smt. Radhikatai Pandav College of engineering Sports Club is established in 2001 to develop physical standards and abilities to know and play various games and sports. The institution has two spacious playgrounds of 5000 sq. m. and 4000 sq. m. for outdoor sports like basketball, badminton, cricket and other sports are provided. The institute consists of a well-equipped gymnasium for boys. Apart from this, a meditation center hall is provided for the students to emphasize spiritual and physical strength.

Objectives behind the Sports Club:

- To promote a healthy environment for students.
- To extract the abilities from the students that is hidden inside them.
- To encourage students to participate in national level championship or tournaments.
- To make students physically fit and mentally strong.

The Department of Physical Education and Sports was established in 2001 with the aim of improving quality sports facilities in the college campus. The sports department provides both indoor and outdoor sports facilities and provides sports uniform for every student who participates in sports.
