Office Order

To strengthen collaboration between academia and industry and enhance the employability and practical skills of students, **Smt. Radhikatai Pandav College of Engineering** hereby establishes the **Institution Industry Cell (IIC)**.

The Cell shall function as a platform to promote interaction with industries, facilitate knowledge exchange, and bridge the gap between theoretical learning and industrial practices.

Objectives of the Institution Industry Cell (IIC)

- To establish strong linkages between the institution and industry.
- To enhance students' employability through industry exposure and skill development.
- To promote internships, industrial visits, and in-plant training.
- To encourage industry participation in curriculum enrichment and academic activities.
- To facilitate collaborative research, consultancy, and sponsored projects.
- To organize guest lectures, seminars, and workshops by industry experts.
- To support innovation, entrepreneurship, and technology transfer.
- To align academic programs with current industry requirements.
